About Me

I Started off my self-learning journey with online tutorials on Google, YouTube, CodeChef, etc, and take a step further and Enrolled in the GUVI IIT MADRAS Fullstack developer Nano degree Program which involved extensive programming and real-world projects. Later, I learned MERN Stack From Guvi and built a Website using React JS, Node, Express Js, MongoDB.

Professional Experience

I seek to work in a competitive field and ready to accept the challenges,
utilizing my skills, would like to work with a highly esteemed company .
which gives me a platform to use my expertise
and skills for mutual growth and benefit of company and myself
